DEMOCRAT AND SENTINEL.

LOCAL ITEMS.

FATAL ACCIDENT .- A boy aged about 13 years, son of William Dougherty, of Washington township, met with a fatal accident last Saturday. He attempted to ride up Plane 5 on the bumping beam of a freight ear, and about the time the car was starting observed another car loose, coming down the plane. He, seeing his danger, jumped from the car, and his foot striking a stick, threw him under the wheel, which passed over his thigh, crushing it frightfully. He survived but a short time, suffering the most intense agony.

"DUM VIVANUS, VIVANUS." -- Our town has been all life and gayety for some time past. The visitors here from a distance have been of the right kind, and the known hospitality of our citizens has made time fly. A more pleasant village or a more made time fly. A more pleasant village or a more joyous light-hearted community that ours, is not to of Wood they pyopose to deliver at each stati be found in the State.

CINCUS AND MENAGERIE.-By reference to our advertising columns, it will be seen that Sands & Co's Circus, and Quick & Co's Menagerie will exhibit here on next Tuesday, (30th inst.) This combined exhibition is highly spoken of by all who have witnessed it, and our readers should not fail to pay it a visit.

Goon Time.-We learn that "Lilly Dale," Capt. Edwards Lewis Ivory's trotting mare, trotted five miles in 19 minutes, over the Hollidaysburg Plank Road, drawing a Buggy, with two persons in it. This we consid- Hughes John T er good time, and considering the unevenness of Hoover E & Co the road, is almost up to "Mac" and "Tacony."

Bonough Improvements .- Our council is having the street running past the Court House graded down, and otherwise improved. When these improvements are finished, this will be the prettiest street in the town.

PLANK ROADS .- The Contractors on the Susquehanna Plank Road are pushing the work with commendable energy. A considerable number of Plank have been laid, and the heavy grading is all completed.

Messes. Munnay and Zanz, the Contractors for completing the Jefferson plank road are engaged three days prior to the day of letting. upon it, and will finish it in a short time.

DENTISTRY .- We ask the attention of our readers to the advertisement of Dr. Belford, Surgeon Dentist, of Hollidaysburg. The Dr. enjoys an enviable reputation as a skillful and experienced Dentist, and being a perfect gentlemen besides, cannot fail services.

MATRIMONY .- In to-days' paper will be found a couple of advertisements; the one inserted by three gentlemen wanting wives, -the other by four ladies wanting husbands. We can guess who the parties are, and would respectfully state that after " X. Y. Z." have made their selections we are on hand for the fair one left.

FANCY DRESS BALL .- A Cotillion party came off at the " Soirce House" of John Fenlon, Esq., on last | against it, are requested to present them proply Wednesday evening, at which some of the guests nuthenticated for settlement. appeared in fancy costume. The dresses worn were in good taste, and added much to the pleasures of the evening.

SHOCKING DEATH ON THE RAILBOAD .- On Wednesday last, an Irishman named John Deeny, was carved up on the Portage Road, at the foot of Plane No. 10 by a train of freight cars.

He was coming down the road, and a locomo tive with a train was going up. The noise and confusion bewildered him so that he paid no attention to a train of cars immediately behind him .-The front car struck, him, and he fell, the entire train passing over him, cutting him literally in two! Micheal Kelly and others, who were near, ran to his assistance but it was too late. He gasped for a few minutes, without being able to speak, and died. From a letter from his father, found in his pocket, it was ascertained that his name was John Deeny, from Donegal, Ireland, and from the tenor of it it was supposed that he was going home. The letter was addressed to the care of Philip Collins, Plane No. 2. His effects were taken charge of by Michael Simons and has body was interred in the Catholic burying-ground in Newry .- Hol. April 27th, 1859 J. D. PARK, Esq., Cincinnati, O .- Dear Sir :- It lives me great satisfaction to add my testimony in avor of 'Dr. Guysott's Extract of Yellow Dock and Sarsaparilla," to that of the numerous and highly respectable persons who have been benefited by My wife has been suffering for the space of nearly five years with Scrofula and Cancer, which, I

think, found its origin in the derangements of the system peculiar to her sex, while in the mean time she was under the care of the most eminent Physicians in this section of country, without deriving any material aid from their prescriptions. Upon the recommendation of Dr. Cockes, one of our Physicians, who had seen the medicine used with happy effect, I obtained of your Agents here, Messrs, Rice & M'Farland," one bottle of "Dr. Guysott's Extract of Yellow Dock and Sarsaparilla." and as my wife found relief from that bottle, I bought some six bottles, which she has taken with the most astonishing benefit, for I am pleased to

say it has entiacly cured her, for she has entirely

recovered from her illness, and the Scrofula and Cancer are cured sound and well. Accept my gratitude. Respectfully, MICHAEL GOLDMAN. IS BLINDNESS CURED BY NHE USE of DR. GUY-
